To whom ever it may concern

By means of this letter, we confirm that the company **Seguridad y Protección de Centroamérica S.A.** is a certified distributor of Hunt, for all of Costa Rica.

The company **Seguridad y Protección de Centroamérica S.A.** is authorized to sell product, participate in commercial activities, with public or private entities. To administer maintenance to our product, in accordance with Hunt Quality standards, which supply all the parts for the offered equipment in the actual quotes, and provide all the technical manuals for the equipment, we guarantee that it will work in normal conditions during the time of warranty, like a post warranty.

Seguridad y Protección de Centroamérica S.A. have been distributing, installing and giving maintenance to our products since 1997 in Costa Rica.

We also like to mention that **Seguridad y Protección de Centroamérica S.A.** do not buy refurbished nor do they go through a third party for the purchase of Hunt products. The equipment sold is the newest and most up to date in the market, complying with all regulations..... (UL, ISO9001)

We are thankful for all the help that Seguridad y Protección de Centroamérica S.A. gives to us, and thank you for your confidence in our products.

Best wishes,

Daniilo Cordoba
Regional Manager.
